

FS Proform Concrete Release Oil

Description

FS Proform Concrete Release Oil contains a low odor release agent and is light colored. This product is formulated for lubrication on wood and/or metal forms. FS Proform Concrete Release Oil is a ready-to-use product and does not need dilution with lighter viscosity hydrocarbons.

FS Proform Concrete Release Oil is formulated to extend the life of wood and metal forms by repelling water to reduce the formation of rust. This release fluid may be applied by spaying or brushing.

Typical Properties:

Test / Description	Specification
ISO Grade	10
Viscosity @ 100°C (cSt)	3.0
Viscosity @ 40°C (cSt)	12.0
Viscosity Index	95
Release Chemical	Present

Product Availability:

5 Gal. Pail	Item #345395
55-gal. Drum	Item #316495
265-gal. Totes	Item #316496
Bulk	Item #316494
